Subject: Thanks for your letter

Dear David Brokensha

Thank you for your charming letter (Oct 6) which my publishers forwarded to me. I am pleased you got so much out of the book, especially having lived in the California region - it meant that your critical faculties would have been much heightened. {I am relieved to hear that my perceptions and analysis coincided with yours.) I know Fish Hoek (not well) from spending a number of holidays in Muizenberg - a beautiful part of the world indeed. Thank you once again for taking the trouble to write.

Best wishes
David Cohen
